For the fifth consecutive year DIAGONALE organizes its exhibition/fundraiser this December.

Thanks to the generosity of 90 participating artists, we can offer art lovers the opportunity to support an artist-run center by acquiring unique works of art. DIAGONALE keeps 50% of the sale.

The «Best in Show», picked by the selection committee, will be featured in the gallery. This fundraising event is essential for the center. Thank you for supporting contemporary art.

DIAGONALE, artist-run center for the arts and fibers of Quebec, showcases the work of visual artists whose practice differs by the use of techniques or concepts relating to the art of the fiber.
